No. 3

The Mysore Representative Assembly.

Birthday Session - June 1929.

By Mr. S.V. Hurumurthiachārya, Minority Interests.

This Assembly recommends to Government of His Highness the Maharaja the necessity of issuing an order at an early date for creating facilities either for taking away the idols in dilapidated temples of the State for purposes of worship or for their installation, thus enhancing the love of divine worship in the peopl of the State.

Reply

Facilities are being given for installing in places of worship newly constructed spare Siva, Vishnu and other idols lying unworshipped in dilapidated temples, and fit for consecration. This is a matter for the people, and any such action as proposed the part of Government leading to the removal of idols will be misunderstood.
